

GUIDE TO APPLICATION [English]

Dear Applicant,

Thank you for downloading a DTS application form. We think it's exciting that young people want to invest their time, money and energy into the Kingdom of God! Our desire is that the DTS will cause you to grow in your relationship with God and that you will learn more about His destiny for your life and much, much more.

Getting started

Before you fill out the form please take some time to pray. We think it is important that your participation in this outreach is a thoughtful choice after prayerful consideration. These forms will be read by your DTS leaders to help them understand who you are, where you are at and how you will best compliment your group.

Application process

Your application will be processed when we have received the registration fee, **all** your completed forms, and a recent picture. Here's your checklist:

- Application form
- Pastor reference form
- 2 friend/coworker reference forms
- CPP form
- Registration fee
- Recent picture

*Mail or email everything to the January DTS. (find info at the bottom of the page) We **don't accept digital signatures**. The sooner you send it the better! When all is in, we will let you know within a couple of weeks if you are accepted.*

Application form

Please complete in dark ink. Supplementary questions answered on separate paper, also written in dark ink. Please, write your signature in the indicated places. If a question does not apply to you, write N/A in the blank. Husbands and wives must complete separate application forms.

Pastor reference form

Included with your application form is a spiritual leader reference form. This is to be filled in by your pastor or spiritual leader. We would like your church to be aware of your involvement with the DTS. This way they can be involved and support you. Give this form to your reference and let him/her send it to us directly.

2 Friend/co-worker reference forms

Please give the enclosed forms to two friends or colleagues who know you well. Do not give the forms to family members or your pastor. Give this form to your references and let them send it to us directly.

Child Protection Policy (CPP)

YWAM Dordrecht is committed to protecting children involved with our mission against abuse of any kind. Therefore we have The *Child Protection Policy*. In order to be involved in any activities of our organization either as staff or student you are required to sign this policy.

School Registration Fee

A registration fee is required in addition to the tuition fee and should accompany the application. This fee is non-refundable and includes the administrative expenses involved in processing your application. Here is what you need to know:

- Singles pay €25
- Married couples pay €40
- We don't accept checks
- Make sure you mention **REGISTRATION OPERATION YEAR DTS** and **YOUR NAME** in the description with the payment.
